

- ✘ 1. Israel in December will attack Iran in a night-time blitzkrieg attack that will cause world-wide panic, hurting the financial markets, and push gold to over \$2k/oz.
- ✘ 2. In NY there will be a terrorist move on the subway. Month of March is a strong possibility.
- ✘ 3. Nuclear attack on Paris.
- ✘ 4. The US will have a different form of currency - going to the barter system.
- ✘ 5. ~~NSPD 51 will be initiated (National Security Presidential Directive) -- dictator directives (the President can take over, bypassing Congress).~~
- ✘ 5. One of the top stories of 2010 will be that a black American male will receive a hand transplant from a white guy.
- ✘ 6. Autistic people will "wake up" and be able to interact with us more.
- ✘ 7. We'll have one of the coldest winters on record.
- ✘ 8. Massive earthquakes, the sky opening up, general mayhem.
- ✘ 9. Israel will attack Iran's nuclear facilities, and Russia will be declared a new superpower by deploying their military to protect Iran, and the US will not react.
- ✘ 10. After a particular bad attack on a freighter off the coast of Somalia, an international coalition will be brought in and destroy the pirate bases.
- ✘ 11. We'll have the biggest 1-year drop in the financial markets caused by 1 or more states going bankrupt.
- ✘ 12. Mass awakening - everyone becoming more accepting of paranormal, ET, etc. (Justification - "Since we're approaching the ion belt, we're becoming more psychically aware.")
- ✘ 13. A huge tsunami coming over the entire West Coast (CA through Vancouver).
- ✘ 14. Obama goes live on NBC saying that aliens do exist and there will be an alien with him who speaks to the whole world.
- ✘ 15. We'll discover a new (living) species that will produce an "oh my goodness, this is too unreal." "It will be a positive, wonderful thing." **(Art may claim this is a hit with the "arsenic life in early December.)**
- ✘ 16. A lot of people who are handicapped will get out of their wheelchairs and will walk again. (Qualifier: "If they truly believe.")

- ✘ 17. Sometime in the Spring (March 21 - June 21) there will be a tornado outbreak that will surpass the super outbreak of 1974 (128 tornadoes in 2 days).
- ✘ 18. A large number of terrorists will enter the country, go to a crowded place, and just start shooting people.
- ✘ 19. The reason why the bees are dying off will be *disclosed*, and that disclosure will affect certain world markets.
- ✘ or (Too Vague) 20. There will be new volcanoes erupting in the US and around the world. (May claim as a hit, such as with the volcano Eyjafjallajökull, though this is not a "new" volcano.)
- ✘ 21. Edgar Cayce's "Hall of Records" will be found in the Grand Canyon.
- ✘ 22. There will be a superstorm - a hurricane or typhoon - that "just won't quit ... [and] will break all the laws of climatology."
- ✘ 23. The River Ganges will slow to a trickle and vast areas of India will report unexplained sterility.
- ✘ 24. *UFO Hunters* TV show will spawn off a sister, live, show where people will call in with their UFO stories.
- ✘ 25. There will be a 7.3 mag. earthquake in CA in the middle of the summer that will create a tsunami all up and down the West Coast.
- ✘ 26. Re-discovery, by September, of the entrance to the hollow Earth at the North Pole.
- ✘ 27. People will look within and have a spiritual awakening.
- ✘ 28. There will be a group of people who come out of no where, volunteer to take a lie detector test on a regular basis, and will zoom into office, starting with the elections this year (2010). (Art may claim this is a hit because of the Tea Party stuff, but they did NOT all go take lie detector tests.)
- ✘ 29. One of the military personnel in Afghanistan will steal the body of a terrorist there after a terrorist attack and bury the body in a pigskin. This will become well-known, terrorism will drop-off, another soldier will do the same thing, etc. Will happen before the summer.
- ✘ 30. What's supposed to happen in 2012 at the end of the Mayan calendar will happen in 2010 because our calendar "runs 2 years behind the Mayan calendar."
- ✘ 31. Volcanoes in the Mojave desert will erupt in Oct-Nov.
- ✘ 32. Within a few weeks of the new year, there will be chaos in the US - major terrorist

attack or a war. Oil will shoot up and shut down our economy.

✘ 33. Planet X will become completely visible for all to see, and it may be the thing that brings the enlightenment to everyone.

✘ 34. We'll find out that the terrorists, the CIA, and all the government are working together for the new world order.

✘ 35. Around March or April, there will be a massive coming out where up to 2/3 of the population will say they're gay. It'll be a big deal, and there will be a resurgence in violence against homosexuals.

✘ 36. Boston will get hit by a major hurricane, Katrina-like, but a lot of people will not be killed despite the Red Sox, Yankees, and Patriots being there.

✘ 37. Obama will look to use hemp as an industry and to create jobs.

✘ 38. The sea lions disappearing from the pier in California is a prelude to Yellowstone supervolcano erupting, where 100s of thousands will die. Also, Sumatra was a prelude to it. Will be triggered by an earthquake in Mexico and will travel up the cascades.

✘ 39. 35% of pest control people in the US will use non-toxic solutions in their business by the end of 2010.

✘ 40. There will be an announcement of a nanotechnology thing to improve the lives of paralysis victims.

✘ 41. The dollar will crash.

✘ 42. The San Diego Chargers will go all the way this year and win.

**(Too Vague - there are quakes all the time everywhere)** 43. San Francisco earthquake - northern California.

✘ 44. Major blackout in possibly Los Vegas (SW part of US).

✘ or **(Too Vague)** 45. A major current athlete will die under odd circumstances.

**(Too Vague)** 46. Within the next two months (by March), a 5.0 or better earthquake in San Francisco Bay area.

✘ 47. Great year and the stock market will reach a new high of 14,500.

✘ 48. In the wake of the recent terrorist attacks, it will force the government to reveal a formerly (currently) top-secret form of transportation that will eliminate the need for commercial airlines.

✘ 49. The electromagnetic vibrations of our planet, as they increase, the harmonic vibrations of people will increase because we're all part of the field, and as that increases, the latent abilities that people have will start to come out (e.g., psychic abilities, being open to the influences around us, etc.). Some people won't have this happen to them because their vibrations "aren't up to it." (Art Bell's summary: "So, good vibes for 2010.")

✘ 50. The front page of all news papers (at least in the US) will read: "Obama gets Osama."

✘ 51. George Noory will be replaced as the host of *Coast to Coast AM* this year.

✘ 52. God is actually a being of light and he is moving back towards us at the speed of light. The result is that he'll send a laser pulse in that direction and tell us what a bad job everyone's doing.

✘ 53. There's going to be a massive increase in crime in the US and the law enforcement will be trying to get more money to get more police to take care of it.

✘ or (Too Vague) 54. Something about a virus that affects the brain. [Very bad phone connection.]

✘ 55. There will be a revival of the Ghost Dance (a messianic spiritual movement in the 1800s) and it will be among young white people.

✘ 56. ~~There will be a high-profile court case in NYC that will make the Rodney King riots look like a carnival.~~ [Art ended up not including this because the guy went off on how Obama was stupid and not seeing clues of whatever.]

\*\*\*\*\* END OF NIGHT 1 \*\*\*\*\*

✘ 56. We'll discover life elsewhere on another planet.

✘ 57. There will be a tsunami that will reveal a new underwater species of something, probably reptile, that may even talk to us.

✘ 58. There will be undeniable proof of bigfoot (bigfeet?) in the AZ/CA desert. Area 52 will be broken wide open by a young journalist, where they're breeding these things. (Area 52 is in AZ, 30 mile north of London (Windon?) Arizona according to her.)

✘ 59. The sun is going to take center stage again and at some point it's going to make it very difficult to make wars and for the "power elite" to carry on with what they do because we'll be distracted from drastic weather changes.

✘ 60. A major celebrity will admit to being abducted by aliens.

✘ 61. Mad Man Mark will re-emerge and Art will do an interview with him. (One of the supposed time-travelers who've called in.)

- ✘ 62. 2010 will finally be the year that the US will get its 51st state - either Puerto Rico or D.C.
- ✘ 63. Something will keep the collider from going online or coming back online ("the one that wants to make all the little black holes").
- ✘ 64. There's going to "be a few more of them e-mails" that'll "crack the lid" on the "global warming thing." His actual prediction is that when more of the e-mails start to leak out, there will be indictments of several key people in the "carbon credit scheme" which will make Madoff look like he was cheating in poker.
- ✘ 65. By this summer, fish will be disappearing and a lot of sushi restaurants will close (by the summer). **(Art may claim this as a hit with the Gulf spill and all the fisherfolks losing a summer of income, but the latter half of this prediction did not happen.)**
- ✘ 66. Random event generators "that [allegedly] measure human consciousness" is that it's not just measuring humans, but also animals.
- ✘ 67. From the mid-19th century to the early 20th century that many silver and gold coins have been counterfeited.
- ✘ 68. There will be a major outbreak of a very virulent form of flu.
- ✘ 69. Volcanic plumes [pretty much all over] will go off at various times in 2010 - "the whole Mother Earth" will be trying to tell us something. Specifically: 8+ earthquake epicenter off the northern/pacific plate boundary near San Francisco with the methane coming up as the harbinger.
- ✘ 70. There will be a medical break-through that will stop the aging process.
- ✘ 71. Fairly major battle on the Afghan/Pakistan border and we'll finally learn Osama bin Laden's whereabouts and that he's been dead.
- ✘ 72. The World Wide Web will break down. (This is based on her dreams about spider webs.)
- ✘ 73. There will be a couple big medical break-throughs this year, one will be a cure for MS, another will be about vision - either glaucoma or macular degeneration.
- ✔ 74. "They" are going to announce plans for a multi-national venture that will go to Mars - at least the planning stages. **(I think Russia announced this)**
- ✘ 75. Fresh water wars.
- ✘ 76. Iran will retaliate when Israel attacks them, using ICBMs and possibly with "dirty weapons." If they do, Israel will retaliate using nuclear weapons.

✗ 77. In 2010, we'll find out that cattle mutilations are a government conspiracy - or Big Business is trying to "put out" the little guys - and that it's a big "hoax" 'cause they're trying to make it look like UFOs.

✗ 78. We're going to see world peace through some sort of biblical-like event.

✓ 79. The Saints will win the Superbowl.

✗ 80. People from Latin America will start to commit (or see?) a lot of murders coming up through North America due to drugs. **(Not due to drugs.)**

✗ 81. A celebrity will be exposed as a cannibal.

✗ 82. "They" are going to discover that Lake Tahoe is actually a volcano.

✗ 83. "The word 'homosexual' will be changed to 'homophile' for the purpose and distraction of those who are consummated and married to the church." [That's a direct quote.]

✗ 84. There will be an international/global event/need to avert something (asteroid, comet, space junk, ISS) ... there will be an asteroid that hits some kind of water ... it will "activate the [secret] space program" with a sense of urgency. [I realize that's hard to understand, but, that's near a direct quote and I have no better idea what she means.]

✗ 85. "Mother Earth farting." By the methane and gas releases in the ocean, Earth is going to re-build the ozone ... based on José Arguellas (sp?) [who pretty much founded the whole Maya-2012 thing].

✗ 86. In August, there will be a worldwide financial collapse that will be the prelude to a 1-world currency.

✗ 87. As a consequence of several dramatic acts of nature and political unrest that will happen all at once, a domino effect will accelerate that will cause an unprecedented rise in religious fervor that will cause more religious institutions and figures to arise than at any other point in history. One event will cause a world-wide circle of handholding to happen, culminating in the biggest media event in history.

✗ 88. Drug cartels in Mexico will become so powerful that the Mexican government will "loose the war on drugs." Two things will happen as a result -- (1) there will be a coup d'état there and the government will topple, and (2) the US will be forced to consider to go down to Mexico to fight on one side or the other. What will ultimately happen is that we'll legalize all drugs in the US.

✗ 89. We'll get a much clearer image than from the Hubble Ultra Deep Field. Since this is looking back in time, we'll get an image of the beginning of time, or more evidence for the Big Bang Theory.

✓ 90. ~~This will be "another year closer to the coming of the Lord."~~ The economy will get better.

✗ 91. The United States will cease to exist through a pre-emptive nuclear strike from China and Russia working together. Obama will fail to retaliate so our remaining forces will be forced to surrender. Obama turns out to be a sleeper agent for China. China and Russia have worked it out so that they'll split the rest of the world between the two.

✗ 92. East Coast port will have a container with a small nuclear device in it, but it will be found before the device will go off.

✗ 93. The universe is round. They'll be able to prove it through light beams.

✗ 94. By mid-summer, there will be strange cancers appearing in prominent persons. They'll track it down to quantum mechanical robots. Common people will "have a lesser occurrence of cancers."

✗ 95. The Dow will reach 14,000. --> By the end of the year, "the economy will be overheating," which will be good news because the Fed[eral Reserve] will be able to take back "some of the excess cash that's out there."

✓ 96. A scandal will arise somewhere within Google's corporation. **(The guy who was found looking and young girls' e-mails.)**

✗ 97. It's getting real close in time now to when the computer designers will come up with one that's smart enough that will be able to talk to the guys. [Uh, in two letters, this guy means "AI."]

✗ 98. This year, there will be a church that is not part of the mainstream that will have a major archaeological discovery that will vindicate their teachings. [After prompting, he said something along the lines of a city, not like a Holy Grail.]

✗ 99. A nuclear device will be detonated in the US or another 1st world country like in Europe or the UK.

**(Too Vague)** 100. The Chinese government will start to make strategic plans for the invasion of the Philippines and other countries in SE Asia. The invasion won't happen for over a decade, but this year you will start to see certain events come to the public's attention, such as strategic war games within the government.

✗ 101. The NFL will be exposed for the fraud it is - that it's all fixed.

✓ 102. There will be no really big changes, it'll be "pretty much the same-old-same-old." There'll be some crises, medical advances, etc., but that's what happens every year.

✓ 103. A newly discovered comet visible to the naked eye. Just passing by (not headed towards Earth).

✘ 104. Whatever happened on 9/11 - all the evidence will come out.

(Hasn't Been On) 105. The caller "J.C." will find inner peace and a lover for humanity this year.

✘ 106. It'll be a swing year for the dichotomy between good and bad and there are enough good people "on the light side of the force" that we'll be moving forward towards a new paradigm. It'll be the "Year of the Self-Sacrificing Whistleblower." (Could possibly claim this as a hit with WikiLeaks.)

✘ 107. Obama will give up Taiwan in order to cancel out our national debt.

(Not for 2010) 108. Within the next few years, we will become a cashless society.

✘ 109. Ed Dames will be judged on air on *Coast to Coast* via a critical mass. [Ed Dames is a "remote viewer" who predicted things like Israel and Iran will be in a nuclear war by October 2009.]

✘ 110. There will be a nuclear reactor that detonates "quote-unquote on its own" somewhere in North America. There will be no evidence of a security breach nor tampering, but it will be this mysterious thing that will put everyone on-edge.
